#2) \_\_\_\_\_

**4** Rejoice in the Lord always;  
again I will say, rejoice.

**5** Let your reasonableness be  
known to everyone. The Lord is at  
hand;

**6** do not be anxious about  
anything, but in everything by  
prayer and supplication with  
thanksgiving let your requests be  
made known to God.

**7** And the peace of God, which  
surpasses all understanding, will  
guard your hearts and your minds  
in Christ Jesus.

**8** Finally, brothers, whatever is true,  
whatever is honorable, whatever is  
just, whatever is pure, whatever is  
lovely, whatever is commendable,  
if there is any excellence, if there  
is anything worthy of praise, think  
about these things.

**9** What you have learned and  
received and heard and seen in  
me—practice these things, and  
the God of peace will be with you.

## Application Questions:

---

Here at Compass HB, we don't just want to hear the word, we want to do what it says! These questions are designed to help you THINK through what you are going to DO based on our sermon. They are meant to be answered by yourself or with your spouse. Then it is best to bring the answers to your fellowship group and share them with others for the encouragement of all.

#1. **Write down a verse** where Jesus enables you to obey his commands.

#2. **Write down a verse** where Jesus is with you.

#3. Out of all the commands we went over in **Philippians 4:4-9**, did any of them convict you? If so, how do you need to change your mind and change your life?

#4. Do you show other people the "Quality Of Life" of Jesus or do you blend in with others around you?

For example: Do others see you complaining or do they see you rejoicing in Jesus?

Do others see you anxious or do they see the peace of God is with you?

#5. Since no one else knows your thoughts, take some time to evaluate them according to **Philippians 4:8**. Are your thoughts consistent with these things or do you need to change them?

Read **Isaiah 26:3**. What are you going to do to make sure your mind is set on God day by day?
