## Application Questions

Now that you have heard what was spoken from the fire, what are you going to do about it?

Please think through these questions by yourself or with your spouse. Please go to your fellowship group and encourage one another with your answers. If you don't have a fellowship group please talk to Pastor Daniel at the Compass Connect table after a service or email him at [daniel@compasshb.com](mailto:daniel@compasshb.com). Praise the Lord for more of our church family attending fellowship groups in November than ever before! Don't miss the 1st of three groups in December this week!

#1. **Read Hebrews 12:18-29.** How would you describe your worship of God? Is there anything you need to change as we go through Exodus?

#2. Read **Leviticus** (Yes, that Leviticus) **11:45 & 16:1-5.** How high is your view of God? How high of a priority has holiness been in your life?

#3. Read **John 8:57-59.** What stands out to you about what Jesus says here? How might you use what Jesus says here in conversation with someone today?

#4. What is something that has stood out to you from reading Exodus so far you want to share with your group?

#5. Spend some time praying together for our study of Exodus that God will show us his glorious wonders!
