## Application Questions

There are NO fellowship groups this week, but there is always application of God's Word to our lives. We don't want to be know-it-alls but need-it-alls. Our goal is not just to be hearers of God's Word but also doers (James 1:22-25).

#1. What is a sermon you have heard that has actually changed your life?

#2. Since you have come to Compass HB, how have you been built up by Jesus as a part of his church?

#3. As we continue to hear and read the Bible together, is there any way you need to change your attitude towards Scripture?

#4. When you hear a sermon what are you listening for?

#5. Do you value all Scripture as worth reading and studying, or are there parts you have neglected so far in your relationship with God?

#6. Please take a moment to pray for our church that God will put it on our hearts to read through the prophets and we will experience a revival from the Bible!
