Application Questions:

Make the most of your fellowship groups this week. Next week there will be NO fellowship groups. We will take one week off.

#1. What stood out to you from Stephen's story in **Acts 6:8-7:60**?

#2. Luke makes the point Stephen was filled with the Spirit. How is your fellowship group doing at being filled with the Spirit and addressing one another (**Ephesians 5:18-21**)?

#3. Stephen points out the "brothers" and the "fathers" were not obeying the Law or truly worshipping God in the temple. What are some ways that the "brothers" in the church today also fall short in our obedience or our worship?

#4. **Read Revelation 2:8-11.** What can you do to prepare for the coming persecution?

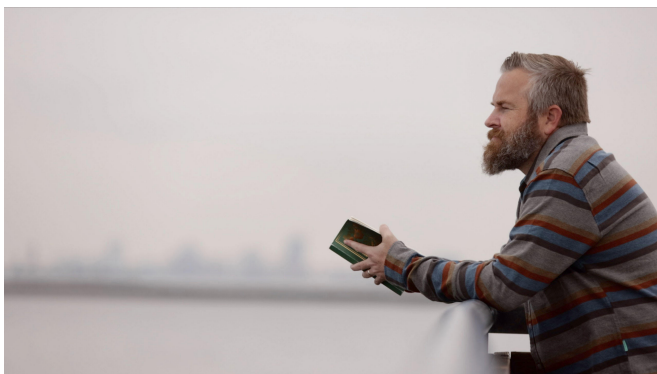

Are you ready to "be faithful unto death?" Are you being faithful right now?

#5. **Read Luke 23:32-47.** Are you 100% confident that you have committed your spirit to Jesus and will be with him in paradise?

If not, who can you talk about this with?
