

8:1-8 _____

#1. _____

#2. _____

1 And Saul approved of his execution.

And there arose on that day a great persecution against the church in Jerusalem, and they were all scattered throughout the regions of Judea and Samaria, except the apostles.

2 Devout men buried Stephen and made great lamentation over him.

3 But Saul was ravaging the church, and entering house after house, he dragged off men and women and committed them to prison.

4 Now those who were scattered went about preaching the word.

5 Philip went down to the city of Samaria and proclaimed to them the Christ.

6 And the crowds with one accord paid attention to what was being said by Philip, when they heard him and saw the signs that he did.

7 For unclean spirits, crying out with a loud voice, came out of many who had them, and many who were paralyzed or lame were healed.

8 So there was much joy in that city.
