## Application Questions:

**Personal Examination:** Do you believe in prayer? Does the way you spend time in the secret place prove you have faith in your Father to give good gifts? Or does your lack of prayer prove a lack of faith? Who can you talk about this with and encourage one another to pray?

**Fellowship Groups:** The goal of this group is to be BOTH a discussion of application from the sermon AND a time for earnest prayer together.

#1. What stood out to you from **Acts 12:1-19**?

#2. Are there any ways you have prayed before that were like you expected prayer “to work” rather than you were really talking with our Father in heaven?

#3. **Read Ephesians 3:20-21.** Are there prayers God answered abundantly more than all you asked for?

#4. **Read Luke 18:1-8.** Based on your prayers, what would Jesus say about your faith today?

**Earnest Prayer:** What are some things you are going to ask God for in your group? Spend some time praying together with a passion. How can your group grow in praying this way together?
