# THE KIDS GET A NEW PLAYGROUND

We are building a playground in our fellowship hall for Kids!  
This will allow more kids to come together and hear the Bible taught as well as a place where parents can fellowship after services or during the week!  
Not only will the playground be constructed, the entire room will undergo significant upgrades in flooring, lighting to make this a premiere meeting room for kids.

# THE COURTYARD

WHERE WE CAN ALL GATHER TOGETHER

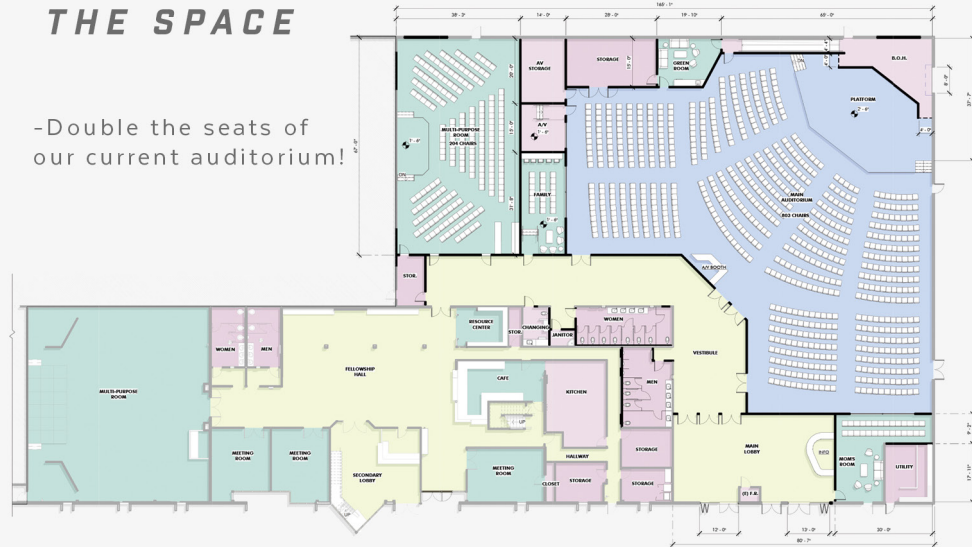

- Over 21,000 square feet of rent-free space
- We can start using it right away even before construction is completed!

Our church needs to all gather together in the same place at the same time! For the first time in years, the Courtyard makes this a real possibility! Look for a gathering we are going to call the Assembly and please make it a point

# DOUBLE THE SPACE

-Double the seats of our current auditorium!

If we believe the Word of God is ABLE to save souls then we need more space for them to hear the word preached! We have been offered this space NOW! We are working on architectural plans but will need money to do the construction.

# DOUBLE THE CITIES

There is a need for churches for the nearly 500,000 souls in Long Beach.

We want to multiply our church into a second church with a full-time space and multiple pastors right from the start.

God is ABLE to do more than all we ask or think!
