FELLOWSHIP GROUPS

Fellowship Groups are back this week! If you are in a fellowship group talk with your leader if your group is meeting or not! If you want to be in a fellowship group starting this fall please come to our Foundations Class!

#1. What is something you learned from the Bible this summer you can come ready to share with your fellowship group?

#2. What are prayer requests you can share with your group to pray for one another as we get ready for the fall?

APPLICATION QUESTIONS

1. **Read Ecclesiastes 5:10-11.** Even though looking at our modern world also proves that more wealth does not equal more happiness, why do you suppose it is still so easy for us to fall into that trap?

2. **Read Proverbs 23:4-5.** What are some of the ways you have seen in your own experience the fleeting nature of wealth? How should this help us think differently about wealth as Christians?

3. **Read Ecclesiastes 5:18-20.** Notice how frequently this passage refers to God! What are some of the theological truths you need to dwell on more in order to be content and enjoy God's daily gifts?

4. What are some of the physical/circumstantial things in your life that you want to more intentionally savor this week? What are some of the spiritual blessings that you want to meditate on more?

5. **Read Ecclesiastes 6:9.** What are some of the ways your appetite might be tempted to wander instead of being content with what your eyes can see? Is there any situation or circumstance in your life right now that you might look back at someday and regret missing out the good God had for you in that season because you were too busy desiring something else?

Everything God has done at our church is an answer to prayer!
