PERSONAL REFLECTION QUESTIONS

#1 - What stood out to you from Joshua 7? Which of the 6 lessons on sin were most impactful?

#2 - Why do Christians sometimes think sin is not that big a deal? Are there personal sins you have minimized?

#3 - How have you seen your sin affect others? Are there ways your sin is hurting others right now?

#4 - Are there secret sins you need to confess this week? What is the difference between confessing sin and getting caught?

#5 - As we head into Thanksgiving, spend time thanking the Lord that all your sin has been forgiven in Christ. If you're not a Christian, consider again that every sin must be judged.
