v.30-35 Summary: _____

APPLICATION QUESTIONS

#1. Welcome back to Fellowship Groups! How were you encouraged by our church's study of **Mark 14-16** during Easter?

#2. Who is reading through Joshua? What are you learning about God in your reading?

#3. Many have heard the phrase, "I know God forgives, but I can't forgive myself." Is this a right way of thinking? Share some verses that help you believe your sin is forgiven.

#4. Read **Hebrews 4:15-16** and **Philippians 2:12-13**. How do you want God to help you obey this week? Be specific. How does it change things knowing God wants to help you obey?

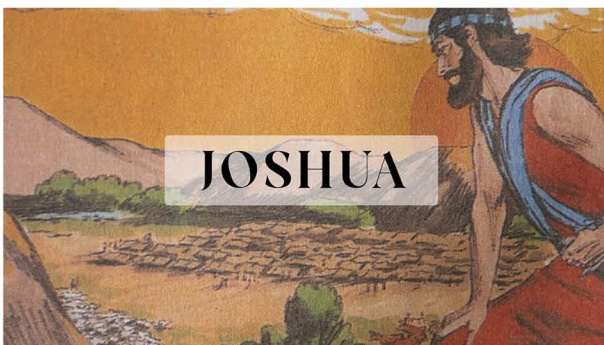

#5. The best time to start obeying is now. Are there any ways you need to respond to forgiveness with obedience? Text someone in your group and ask how you can pray for them to obey this week.

#6. Why is it important that God's forgiveness comes before our obedience, and not the other way around?
