APPLICATION QUESTIONS

We only have 4 Fellowship Groups before Summer Break! Be there if at all possible!

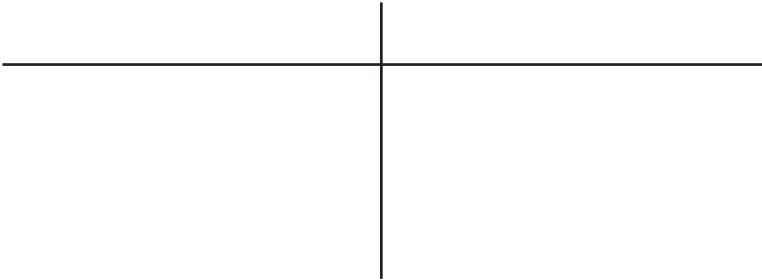

Next weekend we have a Communion Service and will go over our summer schedule including Midweek Services!

#1. What are ways this world is trying to conform us to a love that is not really love at all?

#2. **Read 1 John 4:7-12.** Based on these verses, write down a thoughtful definition of love and come ready to share it with your group.

#3. **Read Psalm 101.** What does it look like for you to hate evil?

#4. **Read Hebrews 5:14.** Is there any decision you need to make in your life right now in which you need to discern God's Will? If so, use this chart to distinguish between evil and good as you make your decision. If you don't have a decision like this right now, can you use an example from the past to show how you discerned what was good?
