APPLICATION QUESTIONS

Before you even go to your Fellowship Group...
Please take time to consider if your love is genuine.
Write down what you think:

#1. **Read John 13:34-35.** How would you define the love Jesus has for you?

How do you love your one another "just as" Jesus loves you?

#2. **Read 1 Thessalonians 2 & 1 Timothy 5:1-2.** How can you love your one another like family members?

#3. **Read 1 John 3:16-18.** What is a specific way you could "go before" someone else at church and take the initiative towards them?

How are you actually going to do this?

#4. Is there anyone you need to say you are sorry to because you have not been loving them?

Is there anyone you have written off (like a brother or sister you no longer talk to) you need to reach out to?
